

Yacht Blast for Kids was founded in 2009 with the intent to provide Make-A-Wish® Wisconsin children, along with their families, an opportunity to spend an afternoon in Milwaukee's harbor aboard a yacht. Today, Yacht Blast for Kids has granted close to 280 wishes through generous donations of time and talent from southeastern Wisconsin.

"Yacht Blast For Kids serves two purposes. The first is to enrich the lives of wish kids and their families the day of the event through providing a fun filled day aboard a Yacht on Lake Michigan, a small but meaningful reprieve from the hospital and doctors' offices. The second is a fun-filled afternoon for the public to join us in raising money so these children, and others like them with critical illnesses, may see their personal wishes come true."
